Subject: SubSMA Technology Assignments Map with Bathymetry Added

Kristine and Team –

Per Action Item #4 from the 22-May-14 SMAs and Dredge Depths meeting, the attached map shows the EPA technology assignments with the Draft FS SubSMAs and Bathymetry overlaid on top. Also note that per Action Item #6, Anchor QEA will update this map with refined pixel score maps once provided by EPA.

Please let us know if you have any questions.

Amanda Shellenberger, P.E.
